Duchess Cookies Opening September 19th at Crossgates

Guilderland, NY: Duchess Cookies, a New York-based luxury cookie brand, will be opening Saturday, September 19th at Crossgates. Located on the upper level of the shopping center at the back of the food court, Duchess Cookies is built around one simple idea: every dessert baked into a cookie.

Using premium, all-natural ingredients, they transform iconic desserts into handcrafted gourmet cookies, baked fresh throughout the day. From timeless classics to innovative seasonal creations, every bite is designed to be an unforgettable indulgence.

Sofia Demetriou is the creator and president of Duchess Cookies. She has been baking up "creative and decadent flavors since she could pick up a spatula," according to the [Duchess Cookies website](#).

"Duchess Cookies is the end result of generations of baking experience," the website reads. "The creator of Duchess, Sofia Demetriou, has had a spatula in her hand almost since birth. Her family has been baking for decades, and she's been finding ways to unlock new possibilities and carry the family torch in her own unique way since she was a child."

"We are so excited for guests to experience the sweet smell of Duchess Cookies' daily rotating flavors filling the food court," said Leslie Mgrace, Marketing Director of Crossgates.

For opening day, September 19th, Duchess Cookies will be offering the first 100 guests a free cookie or ice cream with the purchase of a cookie. A student discount of 10% will also be offered to students with a valid school ID.
